

## **End poverty in all its forms everywhere**

### **1.1**

By 2030, eradicate extreme poverty for all people everywhere, currently measured as people living on less than \$1.25 a day

### **1.2**

By 2030, reduce at least by half the proportion of men, women and children of all ages living in poverty in all its dimensions according to national definitions

### **1.5**

By 2030, build the resilience of the poor and those in vulnerable situations and reduce their exposure and vulnerability to climate-related extreme events and other economic, social and environmental shocks and disasters

## **End hunger, achieve food security and improved nutrition and promote sustainable agriculture**

### **2.1**

By 2030, end hunger and ensure access by all people, in particular the poor and people in vulnerable situations, including infants, to safe, nutritious and sufficient food all year round

### **2.2**

By 2030, end all forms of malnutrition, including achieving, by 2025, the internationally agreed targets on stunting and wasting in children under 5 years of age, and address the nutritional needs of adolescent girls, pregnant and lactating women and older persons

### **2.3**

By 2030, double the agricultural productivity and incomes of small-scale food producers, in particular women, indigenous peoples, family farmers, pastoralists and fishers, including through secure and equal access to land, other productive resources and inputs, knowledge, financial services, markets and opportunities for value addition and non-farm employment

### **2.5**

By 2020, maintain the genetic diversity of seeds, cultivated plants and farmed and domesticated animals and their related wild species, including through soundly managed and diversified seed and plant banks at the national, regional and international levels, and promote access to and fair and equitable sharing of benefits arising from the utilization of genetic resources and associated traditional knowledge, as internationally agreed

## **Ensure healthy lives and promote well-being for all at all ages**

### **3.3**

By 2030, end the epidemics of AIDS, tuberculosis, malaria and neglected tropical diseases and combat hepatitis, water-borne diseases and other communicable diseases

### **3.5**

Strengthen the prevention and treatment of substance abuse, including narcotic drug abuse and harmful use of alcohol

### **3.6**

By 2020, halve the number of global deaths and injuries from road traffic accidents

### **3.7**

By 2030, ensure universal access to sexual and reproductive health-care services, including for family planning, information and education, and the integration of reproductive health into national strategies and programmes

### **3.9**

By 2030, substantially reduce the number of deaths and illnesses from hazardous chemicals and air, water and soil pollution and contamination

## **Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all**

### **4.1**

By 2030, ensure that all girls and boys complete free, equitable and quality primary and secondary education leading to relevant and effective learning outcomes

### **4.2**

By 2030, ensure that all girls and boys have access to quality early childhood development, care and pre-primary education so that they are ready for primary education

### **4.3**

By 2030, ensure equal access for all women and men to affordable and quality technical, vocational and tertiary education, including university

### **4.4**

By 2030, substantially increase the number of youth and adults who have relevant skills, including technical and vocational skills, for employment, decent jobs and entrepreneurship

### **4.5**

By 2030, eliminate gender disparities in education and ensure equal access to all levels of education and vocational training for the vulnerable, including persons with disabilities, indigenous peoples and children in vulnerable situations

## **Achieve gender equality and empower all women and girls**

### **5.1**

End all forms of discrimination against all women and girls everywhere

### **5.2**

Eliminate all forms of violence against all women and girls in the public and private spheres, including trafficking and sexual and other types of exploitation

### **5.3**

Eliminate all harmful practices, such as child, early and forced marriage and female genital mutilation

#### **5.4**

Recognize and value unpaid care and domestic work through the provision of public services, infrastructure and social protection policies and the promotion of shared responsibility within the household and the family as nationally appropriate

#### **5.5**

Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life

#### **5.B**

Enhance the use of enabling technology, in particular information and communications technology, to promote the empowerment of women

### **Ensure availability and sustainable management of water and sanitation for all**

#### **6.1**

By 2030, achieve universal and equitable access to safe and affordable drinking water for all

#### **6.2**

By 2030, achieve access to adequate and equitable sanitation and hygiene for all and end open defecation, paying special attention to the needs of women and girls and those in vulnerable situations

#### **6.3**

By 2030, improve water quality by reducing pollution, eliminating dumping and minimizing release of hazardous chemicals and materials, halving the proportion of untreated wastewater and substantially increasing recycling and safe reuse globally

#### **6.4**

By 2030, substantially increase water-use efficiency across all sectors and ensure sustainable withdrawals and supply of freshwater to address water scarcity and substantially reduce the number of people suffering from water scarcity

#### **6.6**

By 2020, protect and restore water-related ecosystems, including mountains, forests, wetlands, rivers, aquifers and lakes

#### **6.B**

Support and strengthen the participation of local communities in improving water and sanitation management

## **Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all**

### **8.5**

By 2030, achieve full and productive employment and decent work for all women and men, including for young people and persons with disabilities, and equal pay for work of equal value

### **8.6**

By 2020, substantially reduce the proportion of youth not in employment, education or training

### **8.7**

Take immediate and effective measures to eradicate forced labour, end modern slavery and human trafficking and secure the prohibition and elimination of the worst forms of child labour, including recruitment and use of child soldiers, and by 2025 end child labour in all its forms

### **8.9**

By 2030, devise and implement policies to promote sustainable tourism that creates jobs and promotes local culture and products

## **Reduce inequality within and among countries**

### **10.2**

By 2030, empower and promote the social, economic and political inclusion of all, irrespective of age, sex, disability, race, ethnicity, origin, religion or economic or other status

## **Make cities and human settlements inclusive, safe, resilient and sustainable**

### **11.1**

By 2030, ensure access for all to adequate, safe and affordable housing and basic services and upgrade slums

### **11.2**

By 2030, provide access to safe, affordable, accessible and sustainable transport systems for all, improving road safety, notably by expanding public transport, with special attention to the needs of those in vulnerable situations, women, children, persons with disabilities and older persons

### **11.3**

By 2030, enhance inclusive and sustainable urbanization and capacity for participatory, integrated and sustainable human settlement planning and management in all countries

### **11.4**

Strengthen efforts to protect and safeguard the world's cultural and natural heritage

### **11.7**

By 2030, provide universal access to safe, inclusive and accessible, green and public spaces, in particular for women and children, older persons and persons with disabilities

## **Ensure sustainable consumption and production patterns**

### **12.2**

By 2030, achieve the sustainable management and efficient use of natural resources

### **12.3**

By 2030, halve per capita global food waste at the retail and consumer levels and reduce food losses along production and supply chains, including post-harvest losses

### **12.4**

By 2020, achieve the environmentally sound management of chemicals and all wastes throughout their life cycle, in accordance with agreed international frameworks, and significantly reduce their release to air, water and soil in order to minimize their adverse impacts on human health and the environment

### **12.5**

By 2030, substantially reduce waste generation through prevention, reduction, recycling and reuse

### **12.8**

By 2030, ensure that people everywhere have the relevant information and awareness for sustainable development and lifestyles in harmony with nature

## **Take urgent action to combat climate change and its impacts**

### **13.3**

Improve education, awareness-raising and human and institutional capacity on climate change mitigation, adaptation, impact reduction and early warning

## **Conserve and sustainably use the oceans, seas and marine resources for sustainable development**

### **14.1**

By 2025, prevent and significantly reduce marine pollution of all kinds, in particular from land-based activities, including marine debris and nutrient pollution

### **14.2**

By 2020, sustainably manage and protect marine and coastal ecosystems to avoid significant adverse impacts, including by strengthening their resilience, and take action for their restoration in order to achieve healthy and productive oceans

## **Protect, restore and promote sustainable use of terrestrial ecosystems, sustainably manage forests, combat desertification, and halt and reverse land degradation and halt biodiversity loss**

### **15.1**

By 2020, ensure the conservation, restoration and sustainable use of terrestrial and inland freshwater ecosystems and their services, in particular forests, wetlands, mountains and drylands, in line with obligations under international agreements

### **15.3**

By 2030, combat desertification, restore degraded land and soil, including land affected by desertification, drought and floods, and strive to achieve a land degradation-neutral world

### **15.5**

Take urgent and significant action to reduce the degradation of natural habitats, halt the loss of biodiversity and, by 2020, protect and prevent the extinction of threatened species

### **15.7**

Take urgent action to end poaching and trafficking of protected species of flora and fauna and address both demand and supply of illegal wildlife products

## **Promote peaceful and inclusive societies for sustainable development, provide access to justice for all and build effective, accountable and inclusive institutions at all levels**

### **16.1**

Significantly reduce all forms of violence and related death rates everywhere

### **16.2**

End abuse, exploitation, trafficking and all forms of violence against and torture of children

### **16.5**

Substantially reduce corruption and bribery in all their forms

## **Strengthen the means of implementation and revitalize the global partnership for sustainable development**

### **17.17**

Encourage and promote effective public, public-private and civil society partnerships, building on the experience and resourcing strategies of partnerships
