

# LET'S GLOCALIZE – COMMUNITY FOUNDATIONS DRIVEN BY SDGs SPIRIT

**1 NO POVERTY**

Sustainable Development Goals

## SDG 1: End poverty in all its forms everywhere.

### Why is it important?

Poverty is a multidimensional phenomenon that can be both a cause and an effect of social exclusion. There is also a risk of poverty being inherited - the transmission of deprivation to successive generations raised in poverty. In addition, a lower level of education can have an impact on insufficient income and unemployment.

Seniors, people living alone, children and young people are increasingly exposed to the risk of poverty.

People in need do NOT always ask for help!

## DO YOU FIGHT POVERTY AND CREATE A LOCAL MEANINGFULL IMPACT? TAKE A TEST!

Think about the activity your **community foundation** runs, actions and events you organize, projects that you target to local stakeholders ... and answer the questions below:
