

LET'S GLOCALIZE – COMMUNITY FOUNDATIONS DRIVEN BY SDGs SPIRIT

5 GENDER EQUALITY

Sustainable Development Goals

SDG 5: Achieve gender equality and empower all women and girls.

Why is it important?

Gender equality is not only a universal human right, it is also the foundation of a sustainable world. Despite this, in many European countries, women are still disproportionately represented in the world of politics and business - the higher the level, the lower the representation of women. Often - although statistically better educated than men - they remain unemployed. They withdraw from the labour market several times more often than men due to caring responsibilities such as taking care of children or sick family members, which they perform unpaid.

Ensuring that women and girls have equal access to education, equality in the workplace, participation in political and economic decision-making, and combating harmful practices against women are essential to end gender discrimination.

DO YOU EMPOWER WOMEN AND GIRLS? DO YOU ACT FOR GENDER EQUALITY IN YOUR LOCAL COMMUNITY? TAKE A TEST!
