

**LET'S GLOCALIZE – COMMUNITY FOUNDATIONS DRIVEN BY SDGs SPIRIT**

**6 CLEAN WATER AND SANITATION**

Sustainable Development Goals

**SDG 6: Ensure access to water and sanitation for all.**

**Do you know that:**

It takes about 250 liters of water to produce a cup of milk, about 1,600 liters of water for 1 kg of bread, more than 15,000 liters of water for 1 kg of beef, and about 70% of water withdrawals are related to the operation of industrial plants....

Water resources are drastically decreasing in many parts of the world.

In addition, ongoing climate change means that in recent years, more and more countries are facing drought every year.

Water is a treasure, and for some it is still a luxury - all the time, there are many among poor families who do not have a bathtub, shower and toilet at home.

**DO YOU EDUCATE THAT OUR EVERYDAY DECISIONS DO HAVE IMPACT ON WATER SAVING?**

**TAKE A TEST!**

Think about the activity your **community foundation** runs, actions and events you organize, projects that you target to local stakeholders ... and answer the questions below:

**YES or NO**

- ?** Do you teach people behaviors that save water, such as: to turn off the tap water when you don't need it (e.g. while brushing your teeth), to take a quick shower instead of bathing, to fix immediately leaking tap or to run the washing machine and dishwasher only when they are full?
- ?** Do you educate that you can reuse water - for example water from washing vegetables for watering - and to collect rain water?
- ?** Do you inform that you can throw away empty packaging without washing it first? (A waste recycler will do it for you!)
- ?** Do you make people aware about the water footprint of the products they buy (i.e. how much water must be used to produce a given product)?

**THE MORE "YES" YOU TICK, THE GREATER IS YOUR CONTRIBUTION TO THE SDG 6. THE "NO" ANSWERS MAY BE AN INSPIRATION WHAT YOU CAN DO!**

Check the **SDG 6 indicator** in your country [CLICK HERE](#) and find out what the situation is in your local community.
