

**LET'S GLOCALIZE – COMMUNITY FOUNDATIONS DRIVEN BY SDGs SPIRIT**

**16 PEACE, JUSTICE AND STRONG INSTITUTIONS**

Sustainable Development Goals

**SDG 16: Promote peaceful and inclusive societies for sustainable development, provide access to justice for all and build effective, accountable and inclusive institutions at all levels.**

**Why is it important?**

A law is a set of norms of behavior that apply in a country. However, it happens to be a long way between changing the law and changing the mentality. For the development of a democratic society, it is extremely important to be aware of a law's compliance by all members of the community. It is our civic attitude, respect for the law and its enforcement that is the key to create patterns of responsible behavior at the level of the entire community.

**HOW DO YOU CREATE SOCIALLY RESPONSIBLE ATTITUDES?**

**TAKE A TEST!**

Think about the activity your **community foundation** runs, actions and events you organize, projects that you target to local stakeholders ... and answer the questions below:

**YES or NO**

-  **Do you educate people of your community about the important rights they have?**
-  **Do you support important civic initiatives and encourage people to participate in them?**
-  **Do you sensitize people in the local community not to be indifferent to violations of the law, and to REACT when they see violence against vulnerable people or domestic violence?**
-  **Do you encourage people to react to unethical behavior, corruption, hate speech?**
-  **Do you promote dialogue and mediation in conflict situations?**

**THE MORE "YES" YOU TICK, THE GREATER IS YOUR CONTRIBUTION TO THE SDG 16. THE "NO" ANSWERS MAY BE AN INSPIRATION WHAT YOU CAN DO!**
